

Ancient notes arise
Crawling back to me
Mesmerize my heart
Let me fly away

20 years of sonic fate
Together we accelerate
With 200 BPM we enter the next decade

Once in a lifetime
Eternalize!
Carve your soul into stone
Once in a lifetime
You'll realize
This is where you belong

Wir fliegen durch die Zeit
Und seh'n Wahrhaftigkeit
Der Ursprung setzt sich fort
Entspringt an jenem Ort

20 years of sonic fate
Together we accelerate
With 200 BPM we enter the next decade

Once in a lifetime
Eternalize!
Carve your soul into stone
Once in a lifetime
You'll realize
This is where you belong

20 years of sonic fate
Together we accelerate
With 200 BPM we enter the next decade
