

## Don't Go Away

Era

Gratias agimus  
Agimus tibi  
Propter magnam gloriam  
Propter gloriam tuam  
Domine Deus, Deus rex celestis  
Oh Domine Deus!  
Pater omnipotens  
Don't go away, don't go away  
Forever and ever we'll go on  
Don't go away, don't go away  
There's no other place where you belong  
Don't go away  
Oh Domine Deus!  
Pater omnipotens  
Oh Domine Deus!  
Pater omnipotens  
Don't go away, don't go away  
Forever and ever we'll go on  
Don't go away, don't go away  
There's no other place where you belong  
Don't go away, (Oh Domine Deus!), don't go away  
I've given to you, babe, (Pater Omnipotens) all my love  
Don't go away, (Oh Domine Deus!), don't go away  
Forever and ever (Pater Omnipotens) we'll go on  
Oh Domine Deus!  
Pater omnipotens  
Don't go away, don't go away  
Forever and ever we'll go on  
Don't go away, (Oh Domine Deus!), don't go away  
There's no other place where (Pater Omnipotens) you  
belong  
Don't go away, (Oh Domine Deus!), don't go away  
Forever and ever (Pater Omnipotens) we'll go on  
Don't go away, (Oh Domine Deus!), don't go away  
Narananara (Pater Omnipotens) narara  
Don't go away, (Oh Domine Deus!), don't go away  
Forever and ever we'll go on (Pater Omnipotens)
