

# Hurricane

Era

(Kyrie Eleison)

(Kyrie Eleison)

Late in the night I drive (Kyrie Eleison)  
Beauty and love are gone (Kyrie Eleison)  
All the lonely, I hear my name in them (Kyrie Eleison)  
And no one's here anymore

What are we waiting for, my friend? (Kyrie Eleison)  
What are we waiting for? What are we waiting for? (Kyrie Eleison)  
n)

I wanna love, I wanna live  
I wanna fly the hurricane (Kyrie Eleison)  
I wanna love, I wanna give  
I wanna fly the hurricane (Kyrie Eleison)

I wanna love, I wanna give  
I wanna fly the hurricane

(Kyrie Eleison)

Rays of the light are gone (Kyrie Eleison)  
There were no tears before (Kyrie Eleison)  
All the lonely, I hear your name in the wind (Kyrie Eleison)  
Are the angels calling you?

What are we waiting for, my friend? (Kyrie Eleison)  
What are we waiting for? What are we waiting for? (Kyrie Eleison)  
n)

I wanna love, I wanna live  
I wanna fly the hurricane (Kyrie Eleison)  
I wanna love, I wanna give  
I wanna fly the hurricane (Kyrie Eleison)

I wanna love, I wanna live  
I wanna fly the hurricane (Kyrie Eleison)  
I wanna love, I wanna give  
I wanna fly the hurricane

(Kyrie Eleison)
