

# I Fall For You

Era

Espe gratie omen  
Infana Deus gratiem  
Deus gloria e tuam  
Mysteratsimo vexe magica

In the sound of the sigh I will fall for you  
In the mist of the night I will beg for you  
In the house by the sea, in your hands at your will  
I'll belong  
In the night in your cry I will fall for you  
In the light of the moon I will dance for you  
In the house by the sea, in your hands I stay  
I'll belong

Amplius lava me ab iniuitate mea Alleluia

In the sound of the sigh I will fall for you  
In the eye of the storm I will beg for you  
In the house by the sea, in your hands at your will  
I'll belong  
In the night in your cry I will fall for you  
In the light of the moon I will dance for you  
In the house by the sea, in your hands and will  
I'll belong
