

Something Exciting

Era

Looking for something
Looking for something
Looking for something
Something new, something good, something fast
Something exciting

Looking for something
Looking for something
Something warm, something real, something strong
Something exciting
Something exciting

A mio sumoni, Io fanati vorento
A nereto veni, gior si meno amante
T'empiro mentori, sempire d'amor terra
Innoscenta luna, solite in amo retira

Looking for something
Looking for something
Something warm, something good, something strong
Something exciting

Looking for something
I wanna share something
I wanna feel something warm, something real
Something exciting
Something exciting
