Be The One

Erasure

Here
Be here now
Please be still with me now
Here
You're here, home
Feel my heart beating close

Ooh life only lasts but a moment
Sometimes we're the lost we're the lonely
Waiting arms forever hold me tight

We will walk to the end of time
To the edge of the world and sky
Come and stand in the setting sun
Be the one

Give
I'll give my all
Here I stand only yours

Ooh life only lasts but a moment
Sometimes we're the lost we're the lonely
Waiting arms forever hold me tight

We will walk to the end of time
To the edge of the world and sky
Come and stand in the setting sun
Be the one
'Til the call of the fading light
And the pull of the endless tide
Come and stand in the setting sun
Be the one

We will walk to the end of time
To the edge of the world and sky
Come and stand in the setting sun
Be the one

Be here
Please be still with me now
