

Just Can't Get Enough

Erasure

When I'm with you, baby
I go outta my head
And I just can't get enough
I just can't get enough

All the things you do to me
And everything you said
And I just can't get enough
I just can't get enough

We slip and slide as we fall in love
And I just can't seem to get enough, ah

We were together
Walking down the street
And I just can't get enough
I just can't get enough

Every time I think of you
I know you have to be
And I just can't get enough
I just can't get enough

It's getting hotter it's a burning love
And I just can't seem to get enough, ah

I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
...

And then it rains
You're shining down for me
And I just can't get enough
I just can't get enough

Just like a rainbow
You know you set me free
And I just can't get enough
I just can't get enough

You're like an angel and you give me love
And I just can't seem to get enough, ah

Woah, and I just can't get enough...
