

Leaving

Erasure

Baby, don't leave me, don't leave me now
Cause it was stronger when we were two
Baby, you're falling into my arms
Then we were fine, then we were fine
You gotta believe me if you leave me now
Cause it was stronger when we were two

I was fine
You never know what you got with me
Now you're leaving
Now you're going
Now you're leaving

Ooh
Can't make up your mind, can't make up your mind
Ooh
Can't make up your mind

Every time I try to let you go
You wanna run a mile let you roam
Like a river waiting for the day
I can call you mine
I'm gonna cry no tears for you
And only time will let me know
Are we more than a love could ever change?

Maybe this evening we'll take a ride
Because we are strangers in our own home
Baby, your ego is bigger than both of us
Once we were fine then we were fine
I don't believe you where were you last night
There was a freedom we never owned

I was fine
You never know what you got with me
Now you're leaving
Now you're going
Now you're leaving

Ooh
Can't make up your mind, can't make up your mind
Ooh
Can't make up your mind

Every time I try to let you go
You wanna run a mile let you roam
Like a river waiting for the day
I can call you mine
I'm ain't gonna cry no tears for you
And only time will let me know
Are we more than a love could ever change?

Every time I try to let you go
You wanna run a mile let you roam
Like a river waiting for the day
I can call you mine
I'm ain't gonna cry no tears for you

And only time will let me know
Are we more than a love could ever change?
Are we more than a love could ever change?
