

Take a Chance on Me

Erasure

If you change your mind, I'm the first in line.
Honey I'm still free, take a chance on me.
If you need me, let me know, and I'll be around.
If you've got no place to go, when you're feeling down.

If you're all alone when the pretty birds have flown.
Honey I'm still free, take a chance on me.
Gonna do my very best and it ain't no lie.
If you put me to the test, if you let me try.

Take a chance on me. (come on, give me a break will ya?)
Take a chance on me.

We can go dancing, we can go walking,
As long as we're together. (together)
Listen to some music, maybe just talking,
Get to know you better. (better)

Cause you know I've got so much that I want to do,
When I dream I'm alone with you.
It's magic!
You wanted to leave me there, afraid of a love affair,
But I think you know, that I can't let go.

If you change your mind, I'm the first in line.
Honey I'm still free, take a chance on me.
If you need me, let me know, and I'll be around.
If you've got no place to go, when you're feeling down.
(take a chance, take a chance, take a chance on me)
If you're all alone when the pretty birds have flown.
Honey I'm still free, take a chance on me.
Gonna do my very best and it ain't no lie.
If you put me to the test, if you let me try.

Take a chance on me. (that's all I ask of you honey)
Take a chance on me.

Oh you can take your time baby, I'm in no hurry,
I know I'm gonna get ya. (get ya)
You don't want to hurt me, baby don't worry,
I ain't gonna let ya. (let ya)

Let me tell you now: my love is strong enough
To last when things are rough.
It's magic!
You say that I waste my time, but I can't get you off my mind,
No I can't let go, 'cause I love you so.

Hopping in...
If you like what you're seeing take a chance with me, ya!
You won't be grabbed, if you're feeling horny.
Well, you've passes so you got to know this precious property.
I don't know the lads, so call me MC K
Nobody sits, understand me clearly.
However hard he try, could he never own me.
We all fit nice and just move freely.
Special k, what he says all said carefully.

Me not sit all along and just wait by phone.
Not call me 'cause me never, never home ya.
Machine gun as we get the wrong one.
Master mark, master Paul, Mister Luke and John,
If we like what we see we chance a situation.
Nothing don't pay nothing, maybe see what follow on.
What a Jill may do if the right man come?
Hey reagge boat, come we just have a little fun!
Go now!
