

# Take Me Out of Myself

Erasure

Take me out of myself  
'Til I feel like I've got everything under control  
And it's a feeling I like  
When you fall at my when suddenly that you don't know

I will not fear where I'm heading  
'Cause I see that the writing's upon the wall  
And I don't feel like the saviour  
Who will save me from myself tonight?

Don't talk to me as if I'm crazy  
It's not the way it's meant to be  
Please talk to me as if I'm equal  
Fear of rejection's hanging on

(Talking 'bout my baby)  
(You can try and save me)  
(You can be the one)

Put me back into the synchronisation of reality  
Oh how it shows  
I will not walk away of my own accord baby  
It's down to you

I might appear like a maniac  
But it's just because I never switch off  
Don't feel like infinity  
I could do almost anything

Don't talk to me as if I'm crazy  
It's not the way it's meant to be  
Please talk to me as if I'm equal  
Fear of rejection's hanging on

We go in circles  
Reaping old mistakes  
When will we learn  
How to cry to forgive?

We go in circles  
Reaping old mistakes  
When will we learn  
How to cry to forgive?

Take me out of myself  
'Til I feel like I've got everything under control

When you fall at my when suddenly that you don't know

I will not fear where I'm heading
