

# Anniversary

Eric Bellinger

Tomorrow will come, and girl, I can't wait  
It's our anniversary, yeah  
The first thing I'll do is run straight to you  
It's our anniversary, anniversary

(One, two)

It's our anniversary  
(It's our anniversary, yeah yeah, anniversary)  
It's our anniversary  
(Yeah, it's our anniversary, made for you and me)

And I've only made plans to hold your little hand  
It's our anniversary, anniversary

The pleasure's all mine 'cause we have seen good times  
It's our anniversary, anniversary

Victoria will be no secret at the end of the day  
It's our anniversary, anniversary

A small cup of tea then you can have me  
It's our anniversary

All I really want to say my darling  
Today is a special day we call our own

So take me in your arms and hold me  
And tell me you love me  
And I'll be there for you

Do you know what today is?  
Do you know what today is?

It's our anniversary (it's our, it's our special day)

Do you know what today is?

It's our anniversary  
Made for you and me
