

## Antidote (E)

Eric Bellinger

If you want a place I know where we can roll  
If you want a place I know where we can roll  
This gon' be your favorite song  
It's Eazy

Don't you open up that window (Yeah)  
Don't you let out that antidote (Yeah, yeah)  
I don't roll without my pre-rolls (Yeah)  
In the hills is all we know (Yeah, yeah)  
Don't go through the front door  
It's lowkey at the night show  
So, don't you open up that window  
Don't you let out that antidote

Party on a Sunday (Party)  
Do it all again on Monday  
Spent a check on a weekend (Spend through them racks)  
I might do it all again (It's a fact)  
But I don't do no old hoes (No)  
My nigga, that's a no-no (No)  
Who that at the front door? (Who that, who that, who)  
If it's the feds, oh, no, no, no (Don't let 'em in, shhh)  
Daylight, I wake up, wake and bake, and watch the sunrise  
I pull up, hop out, air out, make it real sexy like  
So damnit, don't you blow my high (So high, so high)

At the night show (Ooh)  
Girl, if I pull up at the night show (Ooh)  
Bet my doors go up at the night show (Ooh)  
My section go up at the night show (Ooh)  
Play me right though, then pass me my light bro (It's lit, sheesh)  
Yeah, at the night show (Damn)

Anything can happen at the night show (Baby, wait)  
At the night show (Yeah)  
At the night show (Yeah)  
Baby, wavy  
Just don't open up that window  
Don't you open up that window  
Don't you let out my antidote
