Eric Bellinger

Backwards yeah  
Shit is backwards yeah  
Backwards yeah  
Shit is backwards yeah  
They want you to come through  
When you get money  
They say they could help you shine  
When the shit sunny  
They want you to pick up  
Now that they callin  
The shit is backwards  
Shit is backwards oh

Now a nigga came up  
And they wanna own me  
Now that I leveled up  
They could do it for me  
Now they wanna throw me any number that I want  
Shit is backwards, oh yeah  
Ooohh  
Now everybody wanna come around  
Yeah yeah  
But it's too late for handouts  
Yeah yeah  
Where was they at when I was down  
Yeah yeah  
Fake friends, fake friends  
Only hit you when it's convenient

Backwards yeah  
Shit is backwards yeah  
Backwards yeah  
Shit is backwards yeah  
They want you to come thru  
When you get money  
They say they could help you shine  
When the shit sunny  
They want you to pick up  
Now that they callin  
The shit is backwards  
Shit is backwards oh

Like a flip  
Get what they want and they dip  
I'm in my bag  
You can't get none of my chips  
Nooo  
Please don't interrupt my turn up  
Member you said I was unheard of  
Now I'm so hot might burn ya

Backwards yeah  
Shit is backwards yeah  
Backwards yeah  
Shit is backwards yeah  
They want you to come through  
When you get money

(When you get some money)  
They say they could help you shine  
When the shit sunny
