

# Be The Change

Eric Bellinger

Ohh, yeah  
I'll be the change, yeah  
It's gon' be your favourite song

I'm starting with me, yeah  
Yeah, I'ma make a difference, baby  
If you're coming with me, yeah  
You better start listening, baby  
'Cause I ain't been feeling no love  
So I know what I gotta do  
And I know that it might sound crazy  
But every word that I'm saying is true

Before you give up on life, just give love a try  
Let's come together  
Ayy, yeah, keep your head onto the sky  
And fight 'till the day you die  
Let's come together

If you believe, just follow me  
I'll be the change that the world's been missing  
Just wait and see and leave it to me  
I'll be the change that the world's been missing  
Let me show you the way, let me show you the way  
I wanna show you the way to a better day  
I'll be the change, whatever it takes  
I'll be the change that the world's been missing

I'm gon' be the change, I'ma be the change  
I'ma be the change, I'ma be the change  
I'ma be the change, I'ma be the change  
I'ma be the change, I'ma be the change  
It's Eazy

I'm running out of time  
I gotta hurry up before it's too late  
I'm losing my mind  
And all of this pressure on me  
Everyday, bullets are flying, mothers are crying, fathers are dying  
And I don't want my people to lose  
All I need is a chance to prove, I can do it

Before you give up on life, just give love a try  
Let's come together  
Ayy, yeah, keep your head onto the sky  
And fight 'till the day you die  
Let's come together

If you believe, just follow me  
I'll be the change that the world's been missing  
Just wait and see and leave it to me  
I'll be the change that the world's been missing  
Let me show you the way, let me show you the way  
I wanna show you the way to a better day  
I'll be the change, whatever it takes  
I'll be the change that the world's been missing  
I'ma be the change

Let's start with religion, move onto the children  
Let's make better decisions  
Who's gonna listen?  
More help in the community  
More after-school activities  
You just gotta believe in me

If you believe, just follow me  
I'll be the change that the world's been missing  
Just wait and see and leave it to me  
I'll be the change that the world's been missing  
Let me show you the way, let me show you the way  
I wanna show you the way to a better day  
I'll be the change, whatever it takes  
I'll be the change that the world's been missing  
I'ma be the change
