

Blue Dreams

Eric Bellinger

(Ohh, yeah yeah yeah)
(Ohhhh)

Havin blue dreams
Bout a 10 story house
Black castle with a lake
All around (yeah)
Need a spaceship
Talkin hood Jetson
Goin up, blowin smoke
In the cloud

I want it all (yeah yeah)
All (all)
I want it all (yeah yeah)
All

Need it so imma go get it
Cribbs and whips they both keyless
Three, fo, five, six
With no leases
Said I'd do it all, they ain't believe me
Look up EaZy he a star now
We could take a trip
To the moon
If you wanna touch the
Sky
Caught in my own drip
If I slip, I still keep my kicks
Dry

Havin blue dreams
Bout a 10 story house
Black castle with a lake
All around (yeah)
Need a spaceship
Talkin hood Jetson
Goin up, blowin smoke
In the cloud

I want it all (yeah yeah)
All (all)
I want it all (yeah yeah)
All

Everything I strive to be
Can't lose focus
No uhh uhnn
Need my roses
Yeah uhh huhhhh
So supportive
It's a family
When I shine you shine
We shine
You can tell it's that New Light
We could take a trip to the moon
If you wanna touch the

Sky
Caught in my own drip
If I slip, I still keep my kicks
Dry

Havin blue dreams
Bout a 10 story house
Black castle with a lake
All around (yeah)
Need a spaceship
Talkin hood Jetson
Goin up, blowin smoke
In the cloud

I want it all (yeah yeah)
All (sheesh)
I want it all (yeah yeah)
All

It's Eazy
Look up Eazy he a star now
