

Breakfast In Bed

Eric Bellinger

(Hitmaka)

(Sound)

It's like drownin' in the rain, numbin' all the pain (Pain)
Fireworks blowin' out your frame
Give all you could take, make you say my name (Name)
Make you say, "I know your love is not a game" (Game)
Now, baby, I know (Know, ooh-ooh)
Baby, I know (Know, ooh-ooh)
What you wanted, I know you, girl

You wanna wake up with me inside it
You finna get rough when you ride it
You wanna take flights with me in private
Screamin' but your phone on silent, silent
While we on an island, oh

Breakfast in bed (Bed)
It's all provided by me (Me)
You've been in a drought and I can tell
That you need some of that ooh-ooh, baby, ooh-ooh-ooh, baby (Sheesh)

It's like drownin' in the rain, numbin' all the pain (Pain)
Fireworks blowin' out your frame
Give all you could take, make you say my name (Name)
Make you say, "I know your love is not a game" (Game)
Now, baby, I know (Know, ooh-ooh)
Baby, I know (Know, ooh-ooh)
What you wanted, I know you, girl

Be mine, Tequila Sunrise
Know what you like, way more than one time
All night, sit back, unwind

Eatin' you while eatin' breakfast in bed (Bed)
It's all provided by me (By me)
You've been in a drought and I can tell
Yeah, you need some of that ooh-ooh, baby, ooh-ooh-ooh, baby (Sheesh)

It's like drownin' in the rain, numbin' all the pain (Pain)
Fireworks blowin' out your frame
Give all you could take, make you say my name (Name)
Make you say, "I know your love is not a game" (Game)
Now, baby, I know (I know, I know, I know, I know)
Baby, I know (I know, I know, I know, I know)
What you wanted, I know you, girl
