

# Build Something

Eric Bellinger

Yeah, yeah, yeah, yeah, yeah  
Oh woah

Started off with a glance turned into a stare (Stare)  
It was butterflies everywhere for a new way (For a new way)  
For a new way, oh  
I approach you a lil' different, I ain't hit you with you games  
When I introduced myself, I made sure you had no ring  
Had to do it (Had to do it)  
I had to do it (I had to do it)  
'Cause it was somethin' about you that let me know (Let me know)  
I've been doin' good by myself but with you I could-

Build something  
Feel something  
Heal something  
Build something  
Worth fighting for  
Worth crying for  
Worth dying for  
I had to be yours

Yeah  
We did it brick by brick (Yeah)  
We had to do it by hand (By hand)  
We knee deep in this shit (Hmm)  
It was all a big plan (Plan)  
No coincidence, we ballin' (Hey)  
'Cause we know we put our all in that  
Sacrificed for all that we wanted

Just so we could build something (Yeah-yeah, yeah)  
Feel something (Yeah-yeah, yeah)  
Heal something (Yeah-yeah, yeah)  
Build something (Yeah-yeah, yeah)  
Worth fighting for (Oh-oh)  
Worth crying for (Oh-oh)  
Worth dying for (Oh-oh)  
I had to be yours (Oh-oh)

We laid the foundations (Oh-oh)  
We laid the foundations (Oh-oh-oh-oh)  
We laid the foundations (Oh-oh)  
We laid the foundations  
We laid the foundations  
We laid the foundations  
Our dedication

Just so we could build something (Yeah-yeah, yeah)  
Feel something (Yeah-yeah, yeah)  
Heal something (Yeah-yeah, yeah)  
Build something (Yeah-yeah, yeah)  
Worth fighting for (Oh-oh)  
Worth crying for (Oh-oh)  
Worth dying for (Oh-oh)  
I had to be yours (Oh-oh)

Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah  
Yeah-yeah, yeah
