

Circle of Love

Eric Bellinger

She ain't you typical lover
No idea where she came from
Maybe Mars
Lucky me here on earth living
Under the same sun
With the stars
She can do no wrong
But before you know
We'll be fighting
We'll be fussing
We'll be screaming
We'll be cussing
Back and forth
About discussions
That don't mean nothing
But that won't last for long
???Cause before you know
We'll be kissing
We'll be hugging
We'll be rubbing
We'll be touching
We'll be licking
We'll be sucking all night
We'll be f**king
It's the circle of a love
Circle of a love
It's the circle of a love
Circle of a love
It goes around and around and around and around
It goes around and around and around and around
It's the circle
Who said it would be easy
Tryin' to make it last for a lifetime
Love is hard
Anything that ain't worth working for
Really isn't even worth having at all
And at the end of the day I still say
She can do no wrong
But before you know
We'll be fighting
We'll be fussing
We'll be screaming
We'll be cussing
Back and forth
About discussions
That don't mean nothing
But that won't last for long
???Cause before you know
We'll be kissing
We'll be hugging
We'll be rubbing
We'll be touching
We'll be licking
We'll be sucking all night
We'll be f**king
It's the circle of a love
Circle of a love

It's the circle of a love
Circle of a love
It goes around and around and around and around
It goes around and around and around and around
It's the circle
First you love me
Then you hate me
Then you want me all over again
It's the same old circle
First you love me
Then you hate me
Then you want me all over again
It's the same old circle
She can do no wrong
But before you know
We'll be fighting
We'll be fussing
We'll be screaming
We'll be cussing
Back and forth
About discussions
That don't mean nothing
But that won't last for long
???Cause before you know
We'll be kissing
We'll be hugging
We'll be rubbing
We'll be touching
We'll be licking
We'll be sucking all night
We'll be f**king
(2x)
It's the circle of a love
Circle of a love
It's the circle of a love
Circle of a love
It goes around and around and around and around
It goes around and around and around and around
It's the circle
