Day After Forever

Eric Bellinger

Yeah... oh...
Yeah

You are an angel, no disguise, yeah
Woah, woah
Every girl in my past was a waste of time, yeah

So I, I want us to be together, ayy
From now until the day after forever, yeah, oh, oh
Ooh... day after forever
Ooh... day after forever

Tears weren't made for those pretty eyes
(Your pretty eyes, pretty eyes, pretty eyes)
Now
(I'll keep 'em dry, keep 'em dry, keep 'em)
No...
So I promise to never make you cry
(Won't make you cry, make you cry, make you)
Now...
(Darling, I need you in my life)

Baby, I, I want us to be together, ayy
From now until the day after forever, yeah
(Day after forever, day after forever)

If I said I wanna spend all my time
With you and only you for the rest of my life
Tell me, would you say yes? Tell me, would you say no?
Would you wanna move fast? Would you rather take it slow, girl?
(Girl, girl)
Would you hold it down for me?
Baby, I just gotta know, girl (girl, girl, girl)

So I, I, could run and tell my mother (yeah, baby, yeah, yeah, yeah)
That I, I, I wanna tell your father (I'ma tell your pops, yeah)
I'm in love with his daughter (his princess stole my heart, yeah)

Ooh...
Yeah, you my queen and I'll be your king 'til
The day after forever, day after forever
