Mmm-mmm-mmm-mmm
It's Eazy!

You look like a thigh with two sides and a [?]
Cornbread fed all your life, you a thick one
I been on the road, on tour tryna get it
I ain't had a homecooked meal in a minute
I been on a diet, but I'ma have to try it
Smells so good that I just might bite it
Before we multiply, let's divide it
You just sent a pic, got a nigga all excited

You a baddy
You, you a baddy
Show the addy
Show, show the addy
Call me zaddy
Call, call me zaddy

'Cause you delicious as fuck
Do you deliver or what?
I'ma lick it 'til you finish (Yeah)
Make you cum in 30 minutes or less
You delicious as fuck
Do you deliver or what?
I'ma lick it 'til you finish (Yeah)
Make you cum in 30 minutes or less
You delicious as fuck

I fell in love with that apple, berry, 'nana
I need to hit it from night 'til mayana
Let's take a trip, on a cruise to Bahamas
Hot girl, she a threat to the summer
And she a bad gyal, word to Rihanna
Head first 'fore I dive underwater
I like it feisty, ooh, you so spicy

'Cause you delicious as fuck
Do you deliver or what?
I'ma lick it 'til you finish (Yeah)
Make you cum in 30 minutes or less
You delicious as fuck
Do you deliver or what?
I'ma lick it 'til you finish (Yeah)
Make you cum in 30 minutes or less
You delicious as fuck
