

# Do It All

Eric Bellinger

I do it all  
I do it all  
Girl I do it all  
Yeah, yeah, yeah  
I do it all

Take you on a sexy vacay with an ambiance  
I do it all  
Order every glass of champagne at the restaurant  
I do it all  
Let you put on all that lingerie, just to take it off  
I do it all  
I do it all, yeah

Girl I do it all, I mean everything (Yeah)  
Lickin' from your hips to your wedding ring  
Baby you my angel, you so Heaven sent  
It's so evident (Hey), this was always meant (Yeah)  
You just work for me (Yeah)  
Every day gon' feel like an anniversary (No cap)  
I could do it all, if you let me

Take you on a sexy vacay with an ambiance  
I do it all (Yeah)  
Order every glass of champagne at the restaurant

Ah-ah-ooh-woah

Cha-ching  
Listen, ah (It's Eazy)  
Baby you know we could do it all  
Get a villa in Cuba, smokin' on cigars  
When you lay inside my arms, feel like I'm livin' large (Yeah)  
I wanna blow the bank on you down in Baja Ba (Spend it all)  
Gotta buy that La Perla, so I can take it off  
Ain't gotta work in the morning, so you can drink it all  
1942 bottles scattered around the room  
Panoramic suite views, get you in the mood (Yeah, they do)  
With one simple wish (Wish)  
I can get you gifts (Gifts)  
Ain't gotta be complexed, girl, make a list (Make a list)  
I can get you that, or I can get you this  
Or I can get it all, baby girl just take a pick (Yeah)

Take you on a sexy vacay with an ambiance  
I do it all  
Order every glass of champagne at the restaurant  
I do it all  
Let you put on all that lingerie, just to take it off
