

# Double Entendre

Eric Bellinger

You gonna be moaning til the morning if I can get your ass up out this club  
I know that's way you came here for, for real  
Your body's calling, we can call a night right after we make sweet love  
Ain't trying to make you fall in love, for real

Girl I don't know how you feel inside  
Til you feel me way deep inside  
This is something like a double entendre, double entendre, read between the  
lines  
That's how I let you know that I want you, know that I want you  
These ain't pickup lines, girl  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
To this double entendre

You can play this but it's none in the what we gonna do  
You gonna be braking all your rules tonight  
You and you bottle while I'm struggling your bottom  
Until you try, ain't go  
Baby, I try and try ain't go  
How's left?

girl I don't know how you feel it  
So you feel me way deep inside  
This sound like it's double entendre, double entendre  
Read between the lines, that's how I let you know that I want you  
Know that I want you, know that I want you  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say it's double entendre

Talking like it's double entendre  
Messing all your make-up  
Grabbing all your booty and I make all your make up  
So ain't got all your tinedes  
Promise I won't play I just crushing out  
But I promise I'mma play hard  
Let you legs here above me  
Watch me catch an and I'm going down South  
We're going local then we take a ride down South  
Pick it up, lay down

Double entendre, double entendre  
Read between the lines, that's how I let you know that I want you  
Know that I want you, know that I want you  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say it's double entendre

Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say it's double entendre

Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say yey, yey  
Say it's double entendre
