Pull up to the crib like, "What up, bitch?" (Like what up?)  
The buss down lookin' like the sun up  
Drip game a soda (Yikes)  
The bitch you love might pull up  
I'on do apps, that's my dog but I can't duflex  
Smoke too much and I think too quick  
And I'm tryna memorize like one or two scripts  
"What up, Hollywood, I'm on the way to ya"  
HBO when I debut  
Insecure, I know all the actors  
Even when on camera they ain't as fake as you  
Beef is always still makin' news  
No pleading' now, we on the way to you  
I ain't for the cap and niggas always ravel  
When Eazy call and let her sing to you, like

Only wear designer, it's Eazy  
Hoppin' out the Wraith, esskeetit  
Singin' to your bitch, it's Eazy  
Runnin' up a check with no limit (It's Eazy)  
Poppin' on X, poppin' on X (Brrt), poppin' on X, pills (Sheesh)  
Got a new car, got a new bitch (Yeah)  
And I got a new deal (It's Eazy)

I'm that nigga from the shore  
White door mount on my Porsche  
Sauce drip outta my Porsche  
Catch me on the Eazy G.O.A.T. Tour
