

Euphoric

Eric Bellinger

Wait wait wait
Why you on my case
All up in my face
Take it slowly yeah
Wait wait wait
'Fore you feel a way
First let me explain
Least you owe me that
(Yeaah babe)
Miss me with that shit
Makeup sex be lit
(Yeaah, on site)
Ooo Yeaaah babeee
Shootin my shot like Jordan
I just wanna make you feel Euphoric (Yeaah)

Why, why you wanna kill my vibe
Why we can't make it right
I'm just tryna chill tonight babe
I, I don't wanna waste no time
I would rather fuck than fight
Release that tension, bring us back to life
All of your feelings you go
Baby I already know
But whose is it, whose is it yeaaah
First we be takin it slow
Two and then three in a row
Now you with it, you with it yeaaah

Wait wait wait
Why you on my case
All up in my face
Take it slowly yeah
Wait wait wait
'Fore you feel a way
First let me explain
Least you owe me that
(Yeaah babe)
Miss me with that shit
Makeup sex be lit
(Yeaah on site)
Ooo Yeaaah babeee
Shootin my shot like Jordan
I just wanna make you feel Euphoric (yeaahh)

Bullshit to the side, leave just for the night
Ohhh, Only state of mind
Being satisfied, ohhh
Overthinkin, don't let nothin get in the way
I need it no reservations
All of your feelings you go
Baby I already know
But whose is it, whose is it yeaaah
First we be takin it slow
Two and then three in a row
Now you with it, you with it yeaaah

Wait wait wait
Why you on my case
All up in my face
Take it slowly yeah
Wait wait wait
'Fore you feel a way
First let me explain
Least you owe me that
(Yeaah babe)
Miss me with that shit
Makeup sex be lit
(Yeaah, on site)
Ooo Yeaaaaah babeee
Shootin my shot like Jordan
I just wanna make you feel Euphoric (yeaah)
