Fake Love

Eric Bellinger

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
This gon' be your favorite song
It's Eazy

I've been down so long, it look like up to me
They look up to me
I got fake people showin' fake love to me
Straight up to my face (To my face)
Straight up to my face
I've been down so long, it look like up to me
They look up to me (Up)
I got fake people showin' fake love to me
Straight up to my face (To my face)
Straight up to my face (Yeah, yeah, yeah)

Somethin' ain't right when we talkin'
Somethin' ain't right when we talkin'
Look like you hidin' your problems
Really you never was solid
No, you can't "son" me
You won't never get to run me
Just when shit look out of reach
I reach back like one, three
Like one, three, yeah, yeah

That's when they smile in my face
Whole time they wanna take my place
Whole time they wanna take my place
Whole time they wanna take my place
Yeah, I know they wanna take my place
I can tell that love is fake (I can tell, I can tell)
I don't trust a word you say (I don't trust a word you say)
How you wanna clique up after your mistakes? (Where they do that at?)
Look you in the face, and it's just not the same

I've been down so long, it look like up to me (Up)
They look up to me
I got fake people showin' fake love to me
Straight up to my face
Straight up to my face
I said, I've been down so long, it look like up to me (Up)
They look up to me
I got fake people showin' fake love to me
Straight up to my face (To my face)
Straight up to my face (Yeah, yeah, yeah)
Woah, woah, woah, woah

Straight up to my face, tryna play it safe (Tryna play it safe)
Vibe switch like night and day (Yeah)
I can see it, like, right away (Yeah)
I came up, you changed up
I caught that whole play
Since, things never been the same (Woah, woah)

That's when they smile in my face

Whole time they wanna take my place (Whole time)
Whole time they wanna take my place (Whole time)
Whole time they wanna take my place
Yeah, I know they wanna take my place (I know it, I can tell)
I can tell that love is fake (That the love ain't real)
I don't trust a word you say (No, the love ain't real)
How you wanna clique up after your mistakes?
Look you in the face, and it's just not the same (It's just not the same)

I've been down so long, it look like up to me
They look up to me (Up)
I got fake people showin' fake love to me (Showin' fake love)
Straight up to my face (Showin' me love, but it ain't real love)
Straight up to my face
I said, I've been down so long, it look like up to me
They look up to me
I got fake people showin' fake love to me

Keep that fake love from me, yeah
