

# Finders Keepers

Eric Bellinger

Whoa-oh-oh-oh  
Oh-whoa-oh-oh  
Yeah, yeah, yeah (Yeah, yeah, yeah)  
(Sincerity)  
Yeah

Don't you be too dumb, don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that  
Don't you be too dumb, don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that  
All she asks, for you to give her real love (Real)  
Puttin' time and keep that shit a thousand (A thousand, yeah)  
Nigga, don't be dumb, nigga, don't be stupid (Don't)  
Finders keepers, if you lose her, I might scoop that, oh

One man's loss could be another nigga's treasure (Fuck up)  
If you say you 'bout her (Yeah), then you better step up  
You gotta give her all of you (All), not just half of you (You)  
So keep slippin' up and I'm gon' catch up

She ain't no throwaway (No)  
You must be blind if you can't see she got an angel face (Ooh-ooh)  
She got a vision, so ambitious, I might invest today (That part)  
So if you don't lift her up somebody else will, yeah, yeah

Don't you be too dumb, don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that (Scoop)  
Don't you be too dumb, don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that (Ay)  
All she asks, for you to give her real love (Real)  
Puttin' time and keep that shit a thousand (A thousand, yeah)  
Nigga, don't be dumb, nigga, don't be stupid (Don't)  
Finders keepers, if you lose her, I might scoop that, oh

I can't understand how you keep little baby stressin'  
She the type that's loyal, how you sit there and neglect that?  
Why you chasin' hoes? You know that they come and go  
'Cause got somethin' real home, somethin' you could build on

She ain't no throwaway (No)  
You must be blind if you can't see she got an angel face (Ooh-ooh)  
She got a vision, so ambitious, I might invest today (That part)  
So if you don't lift her up somebody else will, yeah, yeah

Don't you be too dumb, don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that (Scoop)  
Don't you be too dumb (Baby, don't you be), don't you be too stupid (Don't)  
Finders keepers, if you lose her, I might scoop that (Ay)  
All she asks, for you to give her real love (Real, all she asks, it's all of you)  
Puttin' time and keep that shit a thousand (A thousand, yeah)  
Nigga, don't be dumb (Dumb), nigga, don't be stupid (Don't, yeah, oh)  
Finders keepers, if you lose her, I might scoop that, oh

Oh-oh, oh-oh, oh-oh  
That's an Eazy call, baby  
Ooh-ooh-ooh-ooh, ooh-ooh-ooh-ooh, ooh-mm

I know that's gon' be your favorite song
