Flotus

Eric Bellinger

Aye aye aye aye aye
Aye aye aye aye aye
This gon' be your favorite song (yeah)

Since day one you had me focused
Still I'm ready every time
I always keep one locked and loaded
And looking at you just blows my mind
Set it off, girl you're just too fine
(Set it off, girl you're just too fly)
Show me why you my one desire

'Cause I'm into you (you, you, you)
You the one I choose (baby you the one)
I know you feel it too
So don't cut me loose

Hold up, where you goin'? (yeah, yeah, yeah)
You a real one, and you know it (yeah, yeah, yeah)
Tryin' to put a ring up on it (yeah, yeah, yeah)
Need you to be my FLOTUS (yeah, yeah, yeah)
Hold up, where you goin'? (yeah, yeah, yeah)
You a real one, and you know it (yeah, yeah, yeah)
Tryin' to put a ring up on it (yeah, yeah)
Need you to be my FLOTUS (I need you to be my)

Aye, aye, shawty
Aye, I get paid to party
Aye, 3 black escalades, followin' behind the Harley (skurr, skurr)
Aye, big different
And every time you pull up with me it's a big difference (yeah)
I love the way you show me the way to make it better
Ain't ashamed to critique
We double up every time we do it together
Go on and campaign with me

'Cause I'm into you (you, you, you)
You the one I choose (baby you the one, yeah)
I know you feel it too
So don't cut me loose

Hold up, where you goin'? (yeah, yeah, yeah)
You a real one, and you know it (yeah, yeah, yeah)
Tryin' to put a ring up on it (yeah, yeah)
Need you to be my FLOTUS (yeah, yeah, yeah)
Hold up, where you goin'? (yeah, yeah, yeah)
You a real one, and you know it (yeah, yeah, yeah)
Tryin' to put a ring up on it (yeah, yeah)
Need you to be my FLOTUS (I need you to be my)

Set it off, girl you're just too fine
(Set it off, girl you're just too fly)
Show me why you my one desire

Hold up, where you goin'? (yeah, yeah, yeah)

Got me singing like harmonica (yeah, yeah)
Queen and she Monica
