

For Me

Eric Bellinger

(Kid Class, yeah)
(You ain't cooler than A.C)

She know she the one, ain't never the two
That's why I'll always give a little bit extra to set the mood, ayy

I'm takin' my time, busssdowns for you too, ayy
I know that you're worth it, ayy
Your asset is workin'
Way that you work it, ayy
Make me wanna say it out loud, baby, I don't wanna keep it lowkey, yeah
You know you OD, ayy

For me
Shake it like you mean it, like you mean it for me
You don't wanna do it for nobody but me
'Cause don't nobody do it right but me
And you know you the only one for me
For me
For me
Nobody but me
'Cause don't nobody do it right

You gon' make me go full throttle
Johnny, no Bravo
Body a problem
Panties no bra, ayy-yeah
Party don't stop
Circular motion, wet like a mop, ayy-yeah
I know what you want, ayy
You know what you need, ayy
And I can do that (It's Eazy), easy

I'm takin' my time (My time), busssdowns for you too, ayy (You too)
I know that you're worth it, ayy
Your asset is workin'
Way that you work it, ayy
Make me wanna say it out loud, baby, I don't wanna keep it lowkey, yeah
You know you OD, ayy

For me
Shake it like you mean it, like you mean it for me
You don't wanna do it for nobody but me
'Cause don't nobody do it right but me
And you know you the only one for me
For me
For me
Nobody but me
'Cause don't nobody do it right

For me
Shake it like you mean it, like you mean it for me
You don't wanna do it for nobody but me
'Cause don't nobody do it right but me
And you know you the only one for me
For me
For me

Nobody but me
'Cause don't nobody do it right
