Girl, you as lit as it get
Girl you as real as they come

Baby, I did it
Yeah, I did it
No, wait, you did it

Look at the flick of the wrist
Girl, you be getting it done
You go so hard for the cake
That's how I know you the one
One, one
I ain't do it just because...

So here is some earrings for that one time
You made dinner with the candle lights
Baby, here's a Mac for that one time
Karats on your neck for that one time
Go on blow a bag for that one time
How could I forget 'bout that one time? Baby, I did it for that
One time, one time

Listen, I don't know if you heard
I do it for you 'cause you deserve it, baby

For that one time
A moment of recognition for that one time
You prolly in this position for that one time
You show 'em something different, it took one time, not only is you
Back, but you all for me
And you turning these niggas down like they off the key
Meanwhile, we making love and it's a masterpiece, can I get an
"Amen" like when the pastor or preacher really cooking?
Hard to show you what you mean to me, it's funny

So here is some earrings for that one time
You made dinner with the candle lights
Baby, here's a Mac for that one time

How could I forget 'bout that one time? Baby, I did it for that
One time, one time
Girl, come and get it for that
One time, one time
Baby, this is for that figures you carve
Listen, I don't know if you heard

I do it for you 'cause you deserve it, baby
