Freaky Deaky Interlude

Eric Bellinger

She already know
This gon' be your, favorite song

Will the real freaky deaky girls, please stand up? (Up, yeah)
Please stand up? (Up, yeah)
Please stand up? (Up, yeah)
Please stand up?
'Cause I'm tryna give it to you while we stand up, yeah (Up)
Fucking while we stand up, yeah (Up)
Fucking while we stand up, yeah (Up)
Fucking while we stand up

We did it, dripping in the shower (Drip)
At it on the dinner table for a hour
I leave it, devour
And I don't nobody else my superpowers (No!)
I be driving you out of your mind
New positions don't ever be hard to find

Will the real freaky deaky girls, please stand up? (Up, yeah)
Please stand up? (Up, yeah)
Please stand up? (Up, yeah)
Please stand up?
'Cause I'm tryna give it to you while we stand up, yeah (Up)
Fucking while we stand up, yeah (Up)
Fucking while we stand up, yeah (Up)
Fucking while we stand up

(You freak nasty
I caught you in the act
You freaky nasty, oh you freaky freaky, huh?
Oh don't run, I caught you
I ain't never ever seen you act like this
I caught you humpin' humpin'
What you gotta say about that?
Oh you freakalicious, uh?)
