

Gang Slide

Eric Bellinger

Ooh
Yeah, yeah
Yeah yeah
It's Eazy!

You love to tease a nigga on FaceTime, aye
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?
You love to tease a nigga on FaceTime, aye
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?

Denims got your booty lookin' bulky, yeah
That ain't Baccarat oozing off you then it's Dolce
Why you treat me like your baby daddy homie
But at the same time in my business, hella nosy, yeah?
We gon' keep the 760 smokin', yeah
AP fuckin' off the Rollie, yeah
Cartier bunk, we don't want it
That's what I told the jeweler but she fuckin' with the bracelets
Open toed sandals, double Cs, these the latest
Still ain't threw it at me when you knowin' I'm impatient
Aye, why is you on FaceTime playin'?
Damn, nigga can't wait to cram, I'm just sayin'

You love to tease a nigga on FaceTime, aye
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?
You love to tease a nigga on FaceTime, aye
Baby, you love
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?

If I could jump through this phone right now
Bet I would switch up your tone right now
Dip off with you to the hills right now
Sex in the coupe, while you let your hair down
Wish I could jump through this phone right now
Wish I could pull up, pull up right now
And have my way with you right now
Don't make me beg for you, now

You love to tease a nigga on FaceTime, aye
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?
You love to tease a nigga on FaceTime, aye
When you gon' make time, aye?
When you gon' gang slide, aye?
When you gon' stay the night?
