

Glow Up Together

Eric Bellinger

Hitmaka

I've been on my lifestyle shit, shit
Oh-oh-oh-oh
And you've been on your full star shit
So let's glow up together
(Ah-ah-ah)
Let's glow up together
(Ah-ah-ah)
Ayy, take trips, make love, whatever
(Ah-ah-ah)
Let's glow up together
And if we connect our vibe (Connect)
We'll be livin' our best life

I cop a Wraith, you get a Wraith (Yeah, yeah)
I fill up the safe, you make sure I'm straight (Yeah, yeah, yeah)
When they put me up, when they put me up (Yeah, yeah)
It's the two of us, out here all in love
Doin' all type of shit they wish they was on
Gotta level up 'fore you sing this song
Ooh-ooh
Ooh-ooh
Woah-oh
Hey, got no reason to lie
What's the reason to lie for?

I've been on my lifestyle shit, shit
Oh-oh-oh-oh
And you've been on your full star shit
So let's glow up together
(Ah-ah-ah)
Let's glow up together
(Ah-ah-ah)
Ayy, take trips, make love, whatever
(Ah-ah-ah)
Let's glow up together
And if we connect our vibe (Connect)
We'll be livin' our best life

She ain't goin' back and forth with y'all niggas
I ain't goin' back and forth with y'all bitches
We too busy jet settin', back and forth
Our passports have the stamps of course we all in
Every day win
It ain't a question I'll never do you wrong
You're my best friend and it's your favorite song
You know you can count on me
Love when you go down on me
Hey, got no reason to lie
What's the reason to lie for?

I've been on my lifestyle shit, shit
Oh-oh-oh-oh
And you've been on your full star shit
So let's glow up together
(Ah-ah-ah)

Let's glow up together
(Ah-ah-ah)
Ayy, take trips, make love, whatever
(Ah-ah-ah)
Let's glow up together
And if we connect our vibe (Connect)
We'll be livin' our best life

Livin' our best life
Livin' our best life
Goin' back and forth with you niggas, hey
