

# Goals

Eric Bellinger

Eazy  
Rollin', ridin', swervin' through the city  
Goals (Goals)  
Yeah, bad one ridin' shotgun with me  
Goals (Goals)  
Yeah, she know that I got her if she with me  
Goals (Goals)  
Yeah, she got my name tatted on her titties  
Goals (Goals)

Roll one backwood, we gon' party in the hood  
Pour it 'til my cup full, sip it 'til I'm feelin' good  
She sayin' she tryna come, to my spot get lit some more  
I say fuck that other shit, we gon' fuck inside the whip (Yeah)  
And we don't worry 'bout what they do  
We only concerned 'bout us two, yeah  
We know that we got something real, yeah

That's what I call goals  
We gon' stay doin' the most  
She know how to work a pole  
And she ride me like a pro  
That's what I call goals  
'Cause she all about her dough  
And she pull up with the smoke  
And she good with all my bros  
That's what I call goals  
And she got pretty toes  
And she with me on the road  
In the bed she do the most  
That's what I call goals  
That's what I call goals  
That's what I call goals  
That's what I call goals

Yeah  
She be ride by my side  
She hold down, 365 up, yeah  
Other guys tried, no reply, no  
No niggas in my vibe, she gon' ride

Roll one backwood, we gon' party in the hood  
Pour it 'til my cup full, sip it 'til I'm feelin' good  
She sayin' she tryna come, to my spot get lit some more  
I say fuck that other shit, we gon' fuck inside the whip (Yeah)  
And we don't worry 'bout what they do  
We only concerned 'bout us two, yeah  
We know that we got something real, yeah

That's what I call goals  
We gon' stay doin' the most  
She know how to work a pole  
And she ride me like a pro  
That's what I call goals  
'Cause she all about her dough  
And she pull up with the smoke  
And she good with all my bros

That's what I call goals  
And she got pretty toes  
And she with me on the road  
In the bed she do the most  
That's what I call goals  
That's what I call goals  
That's what I call goals  
That's what I call goals

Goals (Woah)  
Goals (Woah)  
Goals (Woah)  
Goals, yeah
