Eric Bellinger

(Hitmaka)  
(Hol' up)

I spent the night with her  
(I, I) I spent time with her curves  
(I, I) Now it's ice for me and her  
Just to let her know, I got it (Ooh-ooh-ooh)  
I spent the night with her (Ooh-ooh-ooh)  
(I, I) I spent time with her curves (Ooh-ooh-ooh)  
(I, I) Now it's ice for me and her  
Just to let her know, I got it (Woah)

Now she lost in the sauce, (I, I) I got it (Yeah)  
Oops, now she swimmin' in the drip, (I, I, I) I got it (Big)  
Big daddy turned her to a boss, I got it (Woah)  
'Cause if I got it, then she got it too

Yeah, she elevate me  
She won't betray me  
She keep it a hunnid with me, 'specially when she faded, ayy  
Back in Vegas, ayy  
I remember every hand and how you played it, yeah  
Buss down, baby, ayy  
Look at where you've been, limo tint, yeah  
I put the roof down just to let you get a glimpse, ayy  
Can't let 'em choose ya, don't wanna lose ya  
Don't wanna lose ya
