

# I'm Not Him

Eric Bellinger

Oh, girl, I'm not him, no!

Why you lookin' at me like that?  
Baby what'd I do to ya?  
What you mad at me for?  
Tell me what you tirppin' on.  
Cause I don't deserve,  
To be treated this way.  
Try to forget about him,  
Cause you got a new man now.

I'm a show ya,  
What you're not used to.  
I can introduce ya to the finer things in life.

Girl you know I'd never let you down.  
Baby I will always be around,  
I'm a always be right here.  
Cause I'm not him,  
I'm not him, I'm not him, I'm not him.  
Don't compare me to him,  
Cause I ain't him.  
I'm not him,  
I'll never be him.  
Baby I'm not him.

What I gotta do to get ya,  
To take me for who I am.  
I would never hurt you,  
Girl I'm not that kind of man.  
I just wanna see you smile,  
From now until forver.  
Baby just give me a chance,  
Let me make it all better.

I'm a show ya,  
What you're not used to.  
I can introduce ya to the finer things in life.

Girl you know I'd never let you down.  
Baby I will always be around,  
I'm a always be right here.  
Cause I'm not him,  
I'm not him, I'm not him, I'm not him.  
Don't compare me to him,  
Cause I ain't him.  
I'm not him,  
I'll never be him.

When you look me in the eyes,  
Tell me what you see.  
Baby you know you'll be upgraded.  
Soon as you realize that I'm not him,  
You'll forever be my lady!

Girl you know I'd never let you down  
Baby I will always be around

I'm a always be right here  
Cause I'm not him,  
I'm not him, I'm not him, I'm not him.  
Don't compare me to him,  
Cause I ain't him,  
I'm not him,  
I'll never be him.
