

In Your Skin

Eric Bellinger

We by the oceanside with it
Lit up this spot, now we high as a tide with it

Tryna (Tryna) get you to open up, open up
Wanna (Wanna) sip you like coconut, coconut
Sun keep kissin' you, now you're golden, love, golden, love
Close ain't never been closer, close enough (Close enough)

Wanna be in your skin (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
I want to live (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
Live right here (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)

I commit to my addiction, I could never switch up (You)
You my favorite habit that I've ever picked up (You)
Know I get when you naked
Tryna leave a mark, some traces
Oh (You)

Tryna (Tryna) get you to open up, open up
Wanna (Wanna) sip you like coconut, coconut
Sun keep kissin' you, now you're golden, love, golden, love
Close ain't never been closer, close enough (Close enough)

Wanna be in your skin (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
I want to live (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
Live right here (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
(Woah-oh-woah, oh, ooh-woah)
(Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
I want to live (Woah-oh-woah, oh, ooh-woah)
Be in your skin (Woah-oh-woah, oh, ooh-woah)
Live right here (Woah-oh-woah, oh, ooh-woah)
