Always believed it'd be this way (On God)  
I stay on my shit all night, all day (You know it)  
Plus, me and you, we ain't the same

Yeah, I know you got a girl  
A young girl that don't know what she want, no  
But see me, I got a woman (Woman)  
And she innocent (Innocent)  
'Til we intimate, oh woah, oh-oh  
Yeah, she innocent  
She ain't worried 'bout no other niggas, she innocent (Yeah)  
Every time she say she at the crib, she innocent (Oh-woah, oh)  
I ain't worried 'bout shit, it's evident she innocent  
That's my baby

(That my bae, that my, yeah)  
I fell so hard, she caught my fall  
She trapped with me, we been through it all  
And when I'm lookin' in her eyes  
I could tell she tell no lies, man I swear

Always believed it'd be this way (On God)  
I stay on my shit all night, all day (You know it)  
Plus, me and you, we ain't the same

Yeah, I know you got a girl (A young girl)  
A young girl (Yeah) that don't know what she want, no  
But see me I got a woman (Woman)  
And she innocent (Innocent)  
'Til we intimate, oh-woah, oh oh  
Yeah, she innocent  
She ain't worried 'bout no other niggas, she innocent (Yeah)

Long as I could breathe, she won't need no other  
That's my baby and my baby's mother (Mother)
