

# Inside My Bed

Eric Bellinger

HITMAKA

Yeah  
I got what you need  
Don't move, stay right there

It's Eazy

Aye, yeah  
Take two puffs and pass it  
I know this what gets you nasty, alright  
Aye, yeah yeah  
You my favorite actress  
Way that you been playing classy all night  
Yeah  
Girl it's all over your face  
Once I grab below your waist  
And pull them panties to the side, side

Sex inside of my bed  
Through the night  
On you tonight, all night  
Sex inside of my bed  
Lose your mind  
Change your life, change your life  
Sex inside of my bed  
Staring at the moon like ahooo  
Loving the way you do  
Yeah yeah  
Sex inside of my bed  
Through the night  
On you tonight  
In my bed

Life's too short for living with regret  
Soon as you walked passed me  
It was me and you like Cassie  
No lie  
Ooh yeah yeah  
Slim with all that assy  
Don't know how long I'll be lasting  
Tonight  
Tonight yeah  
If I spread your legs bet your soul will take over  
So much love to be made  
Deep in the covers

Sex inside of my bed  
Through the night  
On you tonight, all night  
Sex inside of my bed  
Lose your mind  
Change your life, change your life  
Sex inside of my bed  
Staring at the moon like ahooo  
Loving the way you do  
Yeah yeah

Sex inside of my bed  
Through the night  
On you tonight, in my bed
