YFS  
Yeah

It's a good thing when you got a good thing  
I mean that real thing, not that Hollywood, uh (No)  
Now we too up, baby, where we go? (Deuces)  
When we come down they say that they go (True shit)  
Girl, I couldn't wait, this is your day, yeah  
Now we celebrate, not a moment too late  
Get whatever you want (Yeah)  
Whatever I want (Yeah), whatever you need

'Cause I just got paid, uh, yeah, yeah  
So I'm just tryna pay you a visit (Oh yeah)  
Baby, can I pay you a visit? (Oh yeah)  
I counted all my money (All my dollar, dollar bills)  
So I just wanna pay you a visit (With my racks)  
Baby, can I pay you a visit? (Hella, hella stacks)

Ooh, ooh, ooh-ooh  
Stacks, stacks, stacks, uh  
All I wanna do is pull up  
Facts, facts, facts  
And throw all of this money, up-up-up  
Up, yeah, yeah-yeah  
Up-up-up, sheesh, up-up, oh woah  
On you  
It's Eazy  
Da-da-da

I just checked (Checked)  
It's another check (Yeah-yeah)  
Can't even fit my wallet in my pocket (In my pocket)  
See all I ever do is make deposits (Make deposits)  
I'm thinkin' we should head to somewhere tropic, girl  
'Cause your body hella curvy now (Sheesh)  
Thick in the right spots, you been workin' out (Woah)  
So twerk, twerk, twerk, like it's your birthday  
Know it ain't your birthday but

I just got paid, yeah (Ayy, mmm)  
So I'm just tryna pay you a visit (Oh yeah)  
Baby, can I pay you a visit? (Oh yeah)  
I counted all my money (All my dollar, dollar bills)  
So I just wanna pay you a visit (With my racks)  
Baby, can I pay you a visit? (Hella, hella stacks)

Ooh, ooh, ooh-ooh  
Stacks, stacks, stacks, uh  
All I wanna do is pull up  
Facts, facts, facts  
And throw all of this money, up-up-up  
Up, yeah, yeah-yeah  
Up-up-up, sheesh, up-up, oh woah
