

LA Going Up!

Eric Bellinger

It's Your boy DJ Mal-Ski, and you know I put on for my city
Job ain't done yet, where them rings at, yeh LA going up
Top down on sunset, where them kings at, yeh LA going up
Touchdown and we right back, they don't like that, yeh LA going
up
West west where we ride at and we all that, yeh LA going up

LA going up

LA going up

Yeah, LA going up

LA going up

Job ain't done yet, where them rings at, yeh LA going up
Top down on sunset, where them kings at, yeh LA going up
Touchdown and we right back, they don't like that, yeh LA going
up
West west where we ride at and we all that, yeh LA going up

Dedicated to everybody putting on for our city

LA Going Up

Yeah, LA going up
