

# Last Time

Eric Bellinger

Uh, uh, ayy, yeah  
Alright

Yes, I, know you wanna leave me  
We can make it harder, we can make it easy  
Is ain't that enough I led it to the cheating  
Why you wanna push, baby, why you wanna keep it?  
Goin' in you know that can't nobody be like we are  
Would I make it better if I gave you the Visa? (Okay)  
Go and do your shopping, mommy, go and blow your steam off  
When you come back I act like you never seen her

You know, you know there ain't girls  
And I said I'm sorry (I'm sorry)  
You can't have it no more  
And know I said that before  
But I had to change  
(And now I promise [?])

I know the last time I told you it's the last time  
But baby, I promise that used to be the last time  
That I slip up, that I tell you  
That I ain't doin' nothin' when you know I hang up  
I know the last time I told you it's the last time  
But baby, I promise that used to be the last time  
Baby, you believe me, I got a reason  
This love is all I got and girl I wanna keep it

I had a girlfriend, probably done tell ya  
Puttin' you into drama that you ain't gotta deal with  
You could find another man, let's be [?]  
You can't find no other man with these millions  
I-I-I, I got a bad feeling  
You-You-You about to lose feelings  
For me girl (Girl) and I need ya (Ya)  
So I'ma do what I gotta do to keep ya

You know, you know there ain't girls  
And I said I'm sorry  
Does it not come for something, yeah, yeah  
You can't have it no more  
And know I said that before (Ooh)  
But I had to change, but now  
(And now I promise [?])

I know the last time I told you it's the last time  
But baby, I promise that used to be the last time  
That I slip up, that I tell you  
That I ain't doin' nothin' when you know I hang up  
I know the last time I told you it's the last time  
But baby, I promise that used to be the last time  
Baby, you believe me (Ayy), I got a reason (Yeah)  
This love is all I got and girl I wanna keep it (Ayy, yeah!)

Everytime I cut off  
I come up with out love (Yeah)  
Excuses ain't nothin', you some all over and over (Yeah)

I pray to the Hover (Hover), that she don't lead (Lead)  
But I know the runner, run is what she don't need (Yeah)  
I said she ain't my love and man, that girl is just my friend (Friend)  
I tell you that I'm done and I ain't do that shit again  
So I can understand exactly how you feel

I know the last time I told you it's the last time (Last time, out to choose  
)  
But baby, I promise that used to be the last time  
That I slip up, that I tell you  
That I ain't doin' nothin' when you know I hang up  
I know the last time I told you it's the last time (Last time)  
But baby, I promise that used to be the last time  
Baby, you believe me, I got a reason  
This love is all I got and girl I wanna keep it  
Hey, ooh-oh
