

Little Bit

Eric Bellinger

(Hitmaka)
(OG Parker)

I think I'm fallin' just a little bit
Push up on me, just a little bit, oh yeah
Spread 'em open just a little bit, ayy
I'll give you more than just a little bit, oh yeah
I've been thinkin' you and me could
Spend some quality T-I-M-E
If you're down for it, then I'm down for it
A little bit is all I'ma need (Oh, oh-oh, oh-oh)

The way you move me, uh
It's like you was made just for me, yeah
Bet you've got another side to show me, ayy
I just wanna get to know you, so I could show you I want you (You, ooh, ooh)

No rushin', yeah, just take it slowly
No playin' games, I play you closely
Someone to call up when you're lonely
Better believe when I tell you
I'm just that bitch, know you wanna tap it
Fuck your status, make me your habit
Lean on me, what you need is automatic
This ain't nothin' average
A different kind of savage

I think I'm fallin' just a little bit (It's Eazy)
Push up on me just a little bit, oh yeah
Spread 'em open just a little bit, ayy (A little bit)
I'll give you more than just a little bit, oh yeah
I've been thinkin' you and me could
Spend some quality T-I-M-E
If you're down for it, then I'm down for it
A little bit is all I'ma need (Oh, oh-oh, oh-oh)

Give it to you for the free, give it to me on your knees
All this sex on the beach, make you never wanna leave
Know I'm goin' deep, new foreign, no keys
Santorini, we in Greece, oh, oh

No rushin', yeah, just take it slowly (Slowly)
No playin' games, I play you closely (Closely)
Someone to call up when you're lonely
Better believe when I tell you
I'm just that bitch, know you wanna tap it
Fuck your status, make me your habit
L-l-lean on me, what you need is automatic
This ain't nothin' average
A different kind of savage

I think I'm fallin' just a little bit (A little bit, it's Eazy)
Push up on me just a little bit, oh yeah
Spread 'em open just a little bit, ayy (A little bit)
I'll give you more than just a little bit, oh yeah
I've been thinkin' you and me could
Spend some quality T-I-M-E (Yeah)

If you're down for it (Sheesh), then I'm down for it
A little bit is all I'ma need (Oh, oh-oh, oh-oh)
