I need, I need
I need, I need
I need, I need
I need, I need
I need, ooh
Yeah, yeah
It's Eazy, yeah
So Eazy, yeah
Hol' up

Love, love, love, love
'Long as we got
Love, love, love
Let's get it

Don't want these bitches
I'm done with these bitches
I dust off these bitches
Do it for fun
Don't take it personal
Personally, I'm surprised you called me after the things I said
Skrrt skrrt on niggas (Skrrt)
Skrrt skrrt on these bitches (Yeah)
Skrrt down, and they do it for free
Girl, you know we wasn't more than a summer fling
I said farewell, I thought you took it well (Well)
You told me you wouldn't cry over spilled milk (You did)
Gimme another towel, I'ma turn up the volume
We just need a hour or two, so we can do what we do, baby

So we can do what we do
So we can do what we do
So we can do what we do
You know I'm yours, I know you're mine
So we can do what we do
So we can do what we do
So we can do what we do
You know what?
I'ma make it do what it do, baby

If I didn't ride blade on curb, would you still love me?
If I minimized my net-worth, would you still love me? (Yeah)
Keep it a hundred, I'd rather you trust me than fake love me (Ay)
Keep it a whole one hund', I don't got you I got nothing (No)
Do you hear the words I'm sayin'? I'm talkin' to you
'Cause I wanna be with you (Yeah)
I wanna leave in you
I wanna be in love, love

In love, in love
This gon' be your favorite
Don't you wanna be in love?
Said you're gonna be
Said you're gonna be
It's Eazy
