

## Love Galore

Eric Bellinger

I need, I need  
I need, I need  
I need, I need  
I need, I need  
I need...  
It's easier, so easy, yeah  
(Hol' up)

Love, love, love, love  
Long as we got  
Love love love...

Done with these bitches, I'm done with these bitches  
I dust off these bitches, do it for fun  
Don't take it personal, personally  
I'm surprised you called me after the things I said

Skrt skrt on niggas, skrt skrt on these bitches  
Skrt down and they do it for free  
Girl you know we, wasn't more than a summer fling  
I said farewell, thought you took it well  
Told me you wouldn't cry over spilled milk  
Gimme another towel, go turn up the volume  
We just need an hour or two, so we can do what we do, baby  
(So we can do what we do...)

You know I'm yours, I know you're mine  
(So we can do what we do...)  
You know what, Imma make it do what it do baby

If I didn't ride blade on curb would you still love me  
If I minimized my net worth would you still love me  
Keep it one hunnid, I'd rather you trust me in fact love me  
Keep it a whole one hunn', if I don't got you I don't got nothin'g

No...  
Do you hear the words I'm saying  
I'm talking to you  
Cause I wanna be with you  
Eh, I wanna lay with you  
I wanna be in love, love  
In love, in love (this gone be your fav)  
Don't you wanna be in love, said you wanna be, said you're gonn  
a be  
(Easy)
