

Love Made Me Do It

Eric Bellinger

Do you think I spend all my money on you 'cause I wanna
Do you think I curve all these other girl 'cause I don't want 'em
Do you think I can't find another way to spend my time
Do you think I won't check these bitches if they crossed the line

I could tell you right now baby
I don't need another one
I'd rather get that money and be chilling at the crib now
And plus you my number one
You hold a nigga down, got me thinking bout a kid now
And I ain't even trippin' no
We be getting so close, girl you're feeling like my rib now
They can tell me what I'm missing
But I got my lady, don't call me crazy

Love made me do it
If you wondering, love made me do it
Girl, love made me do it
When I come home
Love made me do it
Girl, love made me do it
It made me do it, do it
Love made me do it
Girl, love made me do it, do it

I don't tell my heart what I wanna do, my heart tell me
And everyday it tell me straight to you, so that's what it's gonna be
I ain't finna waste my time on none of these groupies
Baby girl I ain't going nowhere
I say it again, girl I ain't going nowhere
You think I wanna turn 'em down
Who wouldn't want these women around
My niggas blame it on me, I'm innocent as can be
I tell em everyday to play me no love

Love made me do it
Love made me do it, girl
Love made me do it
Love made me do it, girl
Love made me do it
Love made me do it, girl
Love made me do it, do it

Girl you can blame it on love
Baby you can blame it on love
Girl you can blame it on love
Tell 'em all to blame it on love
Baby I'm caught up in a rapture of love, of love

Love made me do it
Love made me do it, girl
Love made me do it
Love made me do it, girl
Love made me do it
Love made me do it, girl
Love made me do it, do it

I probably still woulda did it anyway
But it just sped up the process
So when I met her I was done with all the nonsense
Give it up right now
Love made me do it
