

Manifestation

Eric Bellinger

Phenom make 'em rap
Yeah

You manifested all this love on you (all this love on you)
You thought it, now I'm on top of you (I'm on top of you)
You dreamed about it 'til you made it true (made it true)
Aye, shout out to your imagination (imagination)
You manifested all this love on you (all this love on you)
You thought it, not I'm on top of you (I'm on top of you)
You dreamed about it 'til you made it true (made it true)
Yeah, shout out to manifestation (manifestation)

Yeah, you put it in the atmosphere, my dear
Put it in the atmosphere, my dear
That was all you, bae
Intuition crystal clear, my dear (my dear)
You brought me right here
Lay me down while you play my sounds
I know it's gon' to be lituation (lituation)
When I'm in bad, you won't have to pretend, no

You manifested all this love on you (you)
You thought it, now I'm on top of you (i'm on top of you)
You dreamed about it 'til you made it true (made it true)
Yeah, shout out to your imagination (imagination)
You manifested all this love on you (all this love on you)
You thought it, not I'm on top of you (i'm on top of you)
You dreamed about it 'til you made it true ('til you made it true)
Yeah, shout out to manifestation (manifestation)

You manifested all this love on you (you)
You thought it, now I'm on top of you (i'm on top of you)
You dreamed about it 'til you made it true (made it true)
Yeah, shout out to your imagination (imagination)
You manifested all this love on you (all this love on you)
You thought it, not I'm on top of you (i'm on top of you)
You dreamed about it 'til you made it true ('til you made it true)
Yeah, shout out to manifestation (manifestation)
