

Mask On (E

Eric Bellinger

Yeah, yeah
Oh, oh, oh, yeah
Yeah, yeah, it's Eazy

Mask on, mask on (Mask on)
Baby, we gon' keep our mask on (Mask on)
Even when they tell us take 'em off
We gon' treat it like a metaphor, yeah
Mask on, mask on (Mask on)
Baby, we gon' keep our mask on (Mask on)
When they say it's safe to take 'em off, yeah
We might have to set it off, yeah

Oh, what's goin' on (Yeah)
Got me out her singin' that Marvin song
Yeah, what's goin' on
'Til they get this shit right
We gon' keep our mask on (Mask on)
Oh, what's goin' on
And why they want me out here all alone
Yeah, what's goin' on
First they start feedin' you lies
Then they lock you in your home

Mask on, mask on (Mask on)
Baby, we gon' keep our mask on (Mask on)
Even when they tell us take 'em off
We gon' treat it like a metaphor, yeah
Mask on, mask on (Mask on)
Baby, we gon' keep our mask on (Mask on)
When they say it's safe to take 'em off, yeah
We might have to set it off, yeah, yeah, yeah

Stay away from me, yeah, ay
I need you to keep that same energy, yeah, yeah
Government all bad, I can't walk the streets (No)
I need you to back-back, like six feet from me
Back-back, give me fifty feet like right now
Epidemic messin' with my vibe now
Is it all gon' end soon, we gon' find out, ay
Lookin' for my angel in disguise now
Where you at, ay, send a sign, ay
It's gettin' bad, ay, yeah
That's why we gon' keep our mask on

Mask on, mask on (Baby)
Baby, we gon' keep our mask on (Ooh)
Even when they tell us take 'em off (Off)
We gon' treat it like a metaphor, yeah
Mask on, mask on (Mask on)
Baby, we gon' keep our mask on (Yeah, yeah, yeah)
When they say it's safe to take 'em off, yeah
We might have to set it off, yeah, yeah, yeah

We gon' keep our mask on, mask on
Yeah, yeah, ow
