Material

Eric Bellinger

I know you're [?] (Yeah)
Hol up
Hitmaka
This gon' your favourite song
It's Eazy

Look, ayy, girl, I know when you upset
Yeah, I can tell when you hit me up
You need some love and some drunk sex
This is more than material
Girl, I know when you upset
Yeah, I can tell when you hit me up
You need love and some drunk sex, ayy
This is more than material

Sexy girl, pretty girl, what's been on your mind?
Tell me who capping? What happened? That's mine, ayy
All the time, ayy, yeah
Every time I'm on my way you wanna leave
For some shit that ain't got shit to do with me
I could solve that, let me fix all that
I'ma fall back, wait for you to call back

Girl, this can't just be summer love (Nah, nah, nah)
I choose you, no more fucking up
Just, give me one chance, baby

Look, ayy, girl, I know when you upset
Yeah, I can tell when you hit me up
You need some love and some drunk sex
This is more than material
Girl, I know when you upset
Yeah, I can tell when you hit me up
You need love and some drunk sex, ayy
This is more than material
This is more than material

Ayy, poppin' down your call log, blowing up your line, ayy
I know that you cold though, so I can get you right
It's me, baby (Knock, knock, who dat? Knock knock [?])
It's Eazy
I got a feeling that you're problem ain't with me
'Cause we've been scientific with our chemistry, girl, ooh
Don't keep me waitin' outside

Girl, this can't just be summer love (Nah, nah, nah)
I choose you, no more fucking up
Just, give me one chance, baby

Look, ayy, girl, I know when you upset
Yeah, I can tell when you hit me up
You need some love and some drunk sex
This is more than material
Girl, I know when you upset
Yeah, I can tell when you hit me up
You need love and some drunk sex, ayy
This is more than material

This is more than material
This is more than material

Don't know what's bothering you but
When I get there, we gon' talk about it
That's what I'm here for
