Like this, like this, like this, like this, like this
When the last time you heard some shit like this? (Yeah)
Like this, like this, like this, like this
When the last time you heard some shit

I've been meaning to make you moist
Fiending to make some noise
Willing to spend the night
So it can just be you and me

Good weed, freaky sex whole weekend (Hey)

Just one note, it was all I wrote
All the pretty bitches love my voice
Ain't no stress, but I'm a do my best
Get you into the bed and enjoy
