

They will not know what's up with you
They will not know what's good with you
They gon' keep asking what it is
till you let em know what the problem is
Straight up
Lately you been in your bag
You ain't have time to look back
To busy getting to the cash
Straight up
They just don't understand
You just in one of your moods

Lay up in the house type mood
Naked on the couch type mood
Catch up on your shows type mood
Netflix and chill type mood
Soaking in the bathtub nude mood

You be at home by yourself but you like it like that
You don't wanna be bothered at all
Girl they been blowin' you up
and you ain't been answering they call
I know you tired
You work long days
You don't get sleep
You don't complain
You just take care of the business
You ain't got no time for no bullshit mood

Lay up in the house type mood
Naked on the couch type mood
Catch up on your shows type mood
Netflix and chill type mood
Soaking in the bathtub nude mood

That's just my mood
That's just my mood
That's just my mood
That's just my mood
Mood

Lay up in the house type mood
Naked on the couch type mood
Catch up on your shows type mood
Netflix and chill type mood
Soaking in the bathtub nude mood
